

Team Tait Tough 2020

We are very excited about the upcoming Team Tait Tough event and look forward to seeing each of you. This will be our third annual Team Tait Tough and our first event including both male and female student athletes. Please read the attached Overview. It contains important information of date, time, when, and what to bring. You can also go to the Tait Hendrix Foundation website for additional information and registration forms at either: www.TeamTaitTough.com Or <https://taithendrixfoundation.org>. A few reminders:

1. Be sure to read the description of the event and specifically the list of items to bring and what to wear. You will be on your feet a lot covering several miles so good shoes and socks are essential. Gloves are also important. Be prepared for cold and/or wet weather.
2. Be sure to check the time of arrival and location. It is recommended to have someone drop you and the other participants from your school off at Bratton-Green Camp (166 Gray Center Road S. Canton MS) located adjacent to the Gray Center (1530 Way Road, Canton MS) on Friday night February 28th by 7:00 pm and have them return to pick you up Saturday morning no later than 8:00 am. If whoever is picking you up comes early, they are welcome to join us for breakfast and closing activities starting about 7:00 am.
3. We will not cancel or reschedule the event for rain. We will push through a little rain. In the event of severe weather, there are buildings at Bratton-Green Camp that will accommodate us during severe weather.
